"At Risk" indicates that the item carries precautionary allergen labeling due to cross contact with other allergens in shared fryers.

"Yes" contains the allergen

Disclaimers:

*Shared Fryer: Please be aware that the fryer is used to prepare a variety of foods, including items that may contain major food allergens including: milk, egg, wheat, shellfish, fish, soy, sesame.

Please be advised that common allergens, including egg, milk, wheat, soy, sesame, peanuts, tree nuts, fish, and shellfish are present in our facility. The potential for cross-contact is higher at self-serve, fryer, and made-to-order stations.

If you have a food allergy or special dietary need, please speak with a manager before making your selection.
