

1. To download the My Quickcharge mobile app, click on [Android](#) or [Apple](#) or search for “My Quickcharge” in the Google Play Store or Apple App Store. If you prefer to access My Quickcharge via the web, use the following link: <https://useast8074.mmhcloud.com/myqc>
2. To begin, you will view a brief tour of the features of My Quickcharge. Swipe or use the arrow buttons to scroll through the tour, and click **Get Started** when you are ready to continue. After following the tour, you will see the login screen. Click **Create Account**.
3. Fill in the required information to set up your account. If using the mobile app, you will need to enter the Access Code **Bayer318**. Click **Create Account**. You will see confirmation that your account has been created and an email sent to the address you provided.
4. From your email account, open the email. Click on the **Verify Account** button to confirm your account.
5. When prompted, create your password. Enter the password a second time to confirm and click **Create Account**.
6. Next, the login screen will be presented and you can begin to use My Quickcharge. Use the email address you entered and the password you created.
7. To link a credit card to your account, select **Payment Method** from the main menu. Click **Add Payment Method** to add your credit or debit card to the system. Enter the required information and click **Submit**.
