

1. To download the My Quickcharge mobile app, click on [Android](#) or [Apple](#), scan one of the QR codes below, or search for “My Quickcharge” in the Google Play Store or Apple App Store. When opening the app the first time, enter the Access Code **mckesson504** when prompted. If you prefer to access My Quickcharge via the web, use the following link: <https://useast6758.mmhcloud.com/myqc> or scan the QR code below.

Google Play Store:

Apple App Store:

Web:

2. To begin, you will view a brief tour of the features of My Quickcharge. Swipe or use the arrow buttons to scroll through the tour, and click **Get Started** when you are ready to continue. After following the tour, you will see the login screen. Click **Create Account**.
3. Fill in the required information to set up your account. Click **Create Account**. You will see confirmation that your account has been created and an email sent to the address you provided.
4. From your email account, open the email. Click on the **Verify Account** button to confirm your account.
5. When prompted, create your password. Enter the password a second time to confirm and click **Create Account**.
6. Next, the login screen will be presented and you can begin to use My Quickcharge. Use the email address you entered and the password you created.
7. To link a credit card to your account, select **Payment Method** from the main menu. Click **Add Payment Method** to add your credit or debit card to the system. Enter the required information and click **Submit**.
